

Instruction

Let us make contributions to the community together! First, you need to log in your GitHub (<https://github.com/>) and find the repository (<https://github.com/FanzhenLiu/Awesome-Deep-Community-Detection>). Then, it is easy for you to follow the instruction to add your paper into **README.md** of this popular GitHub repository. Your submission will appear on the main page soon, and you will be recognized as a contributor to this repository.
